## *Outdoor watering ban ineffect*

July 20, 2010

Thank you to our customers that have complied with our outdoor watering ban. Your efforts have helped reduce demand during this prolonged period of hot temperatures and sporadic rainfall. To prevent compromising the gains we have made, we will continue the ban on outdoor water use until further notice. Long range forecasts call for continued high temperatures and low rainfall for Acton.

Use of hand watering cans is permissible for flowers and vegetable gardens. Outdoor water uses that are not permitted at this time include, but are not limited to:

- Lawn & Garden Watering with a hose or irrigation system
- Car Washing
- Filling Of Pools
- Power Washing

If you require further information, please call the office at 978-263-9107 Mon-Fri from 7:30-4. Or, check our website at [www.actonwater.com](http://www.actonwater.com) for periodic updates.

Thank you for your cooperation in this critical matter.
